

Here is How the Press Rates CRAWFORD *Perspectives*...

“In the unruly world of alternative finance, Mr. Crawford is as buttoned-down as they come.”
~*The New York Times*, March 1995

“You don’t have to believe in astrology to be impressed by Arch Crawford’s long-term record of successfully calling the market.”
~*Forbes*, September 1995

“His 32 years of painstaking astronomical research has proven to him beyond any doubt that planetary movements exert an important influence on people...and that the changes...are reflected in stock and commodities markets.”
~*Timer Digest*, February 1995

“Over the past five years, the timing advice of only one market-timing newsletter among several dozen timers tracked by *Hulbert Financial Digest* has outpaced the simple strategy of buying and holding...the S&P 500.”
~*Kiplinger’s Personal Finance*, July 1997

“Today, Crawford creates a unique blending of astro-nomic cycles and technical research in *CRAWFORD Perspectives*.”
~*Timer Digest*, June 2001

“His record is admirable. He has been publishing his timing service since 1977.”
~From “Star Wars: The Force Is With Arch Crawford”
Forbes Newsletter Watch
Forbes.com, July 19, 2002

“We congratulate Arch Crawford of *CRAWFORD Perspectives*, the Mid-Year leader, whose timing model has captured top honors.”
~*Timer Digest*, July 2002

“‘Obviously, his record speaks for itself,’ said Ralph Acampora, a technical analyst at Prudential Securities and president of the Market Technicians Association... ‘And, bottom line, it’s performance that counts.’”
~*The Star-Ledger*, October 20, 2002

CRAWFORD *Perspectives*

Quintessential Market Timing by Planetary Cycles & Technical Analysis

Meet Arch Crawford!

You’ve heard about his fantastic record. You’ve seen him on CNBC, *Adam Smith’s Money World*,

the *Nightly Business Report*, *Sightings*, the *Wall Street Journal Report*, *Good Morning America*, ABC’s *20/20*, the *A&E Network* and *Geraldo!*
Now, meet the man *Barron’s*

calls “Wall Street’s best known astrologer.”

From the crash of 1987 to the buy order for gold in April 2001 to the possibility of war or attack in September 2001—Arch Crawford has called them all!

>>>>>>

Arch Crawford, editor and publisher of *Crawford Perspectives* for more than 25 years, cut his technical analysis teeth as first assistant to top Wall Street technician Robert Farrell at Merrill Lynch in the early 1960s.

Arch Crawford combines technical analysis and planetary cycles to bring readers one of the most highly regarded and consistently accurate market timing newsletters available today.

Arch Crawford has been profiled in *The Wall Street Journal*, *The New York Times*, *Forbes*, *The Los Angeles Times*, *Kiplinger's Personal Finance* and in dozens of periodicals around the world.

Arch Crawford is a sought-after speaker in the U.S., Europe and the Pacific Rim, and is recognized around the world for his uncanny acumen.

More About CRAWFORD Perspectives...

Published on the first weekend of each month (except holidays and travel dates), *CRAWFORD Perspectives* combines technical analysis and planetary cycles research in timing the stock markets, bonds, gold and the U.S. dollar. *CRAWFORD Perspectives* is rated by *Hulbert Financial Digest* and *Timer Digest*.

Arch Crawford is often among the Top Ten Timers ranked by newsletter rating services. *CRAWFORD Perspectives* is one of the three newsletters that have beaten the major stock market averages since 1990, beating a buy-and-hold strategy by 39.1% over a recent three-year period, according to *Hulbert's Financial Digest*. In 2002, *CRAWFORD Perspectives* showed a profit of 46.7% versus -22.1% in the S&P total return.
